You use many to indicate that you are talking about a large number of people or things. I don't think many people would argue with that. Not many films are made in Finland.

Many, innumerable, manifold, numerous imply the presence or succession of a large number of units. Many is a popular and common word for this idea: many times.

By 2021, renewable energy produced 80% of electricity generated in Luxembourg, comprising wind power at 26%, solar power at 17%, hydro power at 8%, and other renewables (bioenergy, etc) at 29%. Luxembourg firms are less likely than those throughout the EU to invest in onsite/offsite renewable energy generation (26% versus 41%) and energy effic...
