What is a Generac gb1000 portable power station?

The Generac GB1000 Portable Power Station brings the brand's trusted generator expertise into a compact, gas-free format ideal for camping, tailgating, or home backup. With a 1,086Wh capacity, it can power small appliances, tools, and electronics with clean, quiet energy--no fumes or fuel required.

Where can I buy a Generac portable power station?

Get the Generac portable power station at Amazon, The Home Depot, Ace Hardware, or Walmart. To determine the best portable power stations, we put 22 models through a series of structured tests designed to measure performance, portability, and real-world usability.

Should you buy a portable power station?

Whether using a portable power station at home, camping, or on the jobsite as a power tool recharging station, it's vital to invest in a product that will withstand any method of transportation and any possible impact damage that could occur.

How do I choose a power station?

Look for a power station that can handle the combined wattage of the electronics you plan to plug into it.
