-----  
How many cubic feet is a 20ft used shipping container?

A 20ft used shipping container offers about 1,170 cubic feet of storage, making it ideal for medium-sized items or a significant volume of goods. Is a 20ft used shipping container weatherproof and secure? Yes, this container is built to be weatherproof and secure, keeping your belongings dry and safe from the elements and theft.

What can you do with a 20ft shipping container?

20ft shipping containers are a popular alternative to building a storage shed, given their compact design and weatherproof steel exterior. Some businesses have even transformed 20ft boxes into industrial batteries to support the storage of renewable energy. Need some ideas on what to do with your 20ft shipping container?

Where can I find 20ft shipping containers for sale?

You can find 20ft shipping containers for sale right here! Boxhub is the nation's favorite shipping container marketplace. We have 20ft shipping containers available for sale in both new and used condition--and can deliver them straight to your property within 5 business days.

Are 20ft containers weatherproof?

Used 20ft containers have been retired by the world's shipping lines after around 15-20 years of use. While they can no longer be stacked on a cargo ship, they are still guaranteed to be weatherproof, with doors and floors that function properly. Looking for a cost-effective alternative to renting a storage unit or building a shed?
