Our proven HELIOS Solarator(TM) products are mobile, containerized renewable energy stations trusted by major corporations and government bodies on remote, regional, and urban sites.

Our proven HELIOS Solarator(TM) products are mobile, containerized renewable energy stations trusted by major corporations and government ...

Transform shipping containers into battery energy storage systems (BESS). These containers can house batteries for storing excess energy generated from renewable sources such as solar or ...

Discover our range of innovative solar panels on shipping container products engineered to meet your renewable energy needs with maximum efficiency and reliability.

Container energy storage, also commonly referred to as containerized energy storage or container battery storage, is an innovative solution designed to address the ...

Engineered for rapid deployment, high safety, and flexibility, it enables efficient energy storage and delivery for industrial, commercial, and utility-scale projects.

Guyana has unveiled a new 0.65 MW grid-forming solar project, paired with a 1,500 kWh battery energy storage system (BESS) and a 13.8 kV transmission line. [pdf]

Deploy a prefabricated power container in 30 days, not months. Our all-in-one solution integrates HV/LV switchgear, control systems, and smart climate tech in a factory-tested, IP54-rated ...

At SolaraBox, we design and manufacture advanced solar containers that bring clean, reliable, and mobile
