Offered in prismatic sizes from small to large format, lithium-polymer cells make a great choice for small electronic devices and high-power lightweight drones.

Contact us for more information about our lithium iron phosphate design and assembly services. We are here to help you meet your custom power supply needs. Our expert designers ...

Ufine Battery offers professional custom lithium battery solutions, with various types, capacities, and personalized options. Contact us for expert guidance.

We manufacture custom lithium iron phosphate battery packs and assemblies for many applications. Our battery design team uses the latest mechanical and electronic design tools to ...

Buy custom lithium battery packs that provide reliability and efficiency from Voltaplex Energy.

Alexander Battery Technologies is an expert custom LiFePO₄ battery pack manufacturer. We design and produce high quality customised Lithium Iron Phosphate batteries.

NBS designs and manufactures Custom Lithium iron phosphate battery packs and chargers (LiFePO₄) that are safe, reliable and perform consistently.

Our LiFePO₄ Battery Pack with Grab Handle range meet the same safety standards as the tracer LiFePO₄ Battery Packs and are ideal for powering motors and where a higher output current ...

LiFePO₄ smart battery packs delivering safe, powerful, long-lasting custom power with SMBus/CANbus/I²C communication, fuel gauging, protection, and on-board charging options.
