What is circuit breaker wholesale?

Circuit Breaker Wholesale is on a constant quest for acquiring old, surplus, and obsolete circuit breakers and accessories. This enables us to provide our customers with an extensive inventory of breakers no longer manufactured.

What if I have surplus or obsolete circuit breakers?

CBW is also constantly on the lookout for surplus or obsolete circuit breakers to further expand our vast inventory. If your company has excess inventory, obsolete, or used electrical breakers for sale, contact CBW for a review of your inventory and a quote for purchasing your products.

Does CBW sell circuit breakers?

CBW works with our significant network of industry connections to continuously build our inventory through purchasing surplus, used, or discontinued items. We carry hard to find circuit breakers in a wide variety of models and connection types, amp ratings, poles, and AIC ratings.
